

CE CONFIRMITY

The Model numbers listed in Appendix A of this document are declared to fully comply with EU Council Directives:

Low Voltage Directive, 2014/35/EU - Compliant
EMC Directive, 2014/30/EU - Compliant
RoHS Directive, 2011/65/EU - Compliant

The Product listed in the appendix is manufactured by PCB Piezotronics of North Carolina, Inc. D/B/A Endevco and is declared to comply with the noted Product Safety and Environmental Standards when installed and operated in accordance with the Manufacturer's instructions provided. The product is declared to comply by design, testing and 3rd party evaluation (when necessary). The certification program management, product safety testing, EMC testing and evaluations were provided by PCB Piezotronics of North Carolina, Inc. D/B/A Endevco or an Outsourced 3rd Party Provider. RoHS compliance declared by evaluation of product and materials used and exemptions granted to test instruments. The product is eligible to bear and display the CE mark. All safety and EMC standards listed below are the latest revision in force at the time and date tests and evaluations were conducted.

EMC standards

EN 55011, Class A conducted and radiated RF emissions
EN 61000-3-2 Harmonic current emissions
EN 61000-3-3 Voltage fluctuations and flicker
EN 61000-4-2 Electrostatic discharge immunity
EN 61000-4-3 Radiated electromagnetic field immunity
EN 61000-4-4 Fast transient burst immunity
EN 61000-4-6 Conducted RF immunity
EN 61000-4-11 Voltage dips, short interrupts and variations

Safety standard

EN/IEC 61010-1; Safety requirements for electrical equipment for measurement, control, and laboratory use - Part 1
